I, James Mock, respectfully urge the FCC to reject the NAB's petition 04-160 and I support XM's ability to provide the kind of programming that subscribers, like myself, demand and deserve. I drive Los Angeles roads daily, and use the traffic reports all the time, they are accurate and timely. I benefit from listening to XM Satellite Radio and its traffic and weather channels, plus the variety and quality of XM Satellite Radio are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear.
